21 **PILOT PROGRAM.**

22 (a) DEFINITIONS.—In this section—

23               (1) the term “Administrator” means the Ad-  
24 ministrator of the Small Business Administration;

1                         (2) the term “covered STEM intern” means a  
2                         student at, or recent graduate from, an institution  
3                         of higher education serving as an intern—

4                             (A) whose course of study studied is fo-  
5                         cused on the STEM fields; and

6                             (B) who is a woman or a person from an  
7                         underrepresented population in the STEM  
8                         fields;

9                         (3) the term “eligible entity” means a small  
10                         business concern that—

11                             (A) is receiving amounts under an award  
12                         under the SBIR program or the STTR program  
13                         of a Federal agency on the date on which the  
14                         Federal agency awards a grant to the small  
15                         business concern under subsection (b); and

16                             (B) provides internships for covered STEM  
17                         interns;

18                         (4) the terms “Federal agency”, “SBIR”, and  
19                         “STTR” have the meanings given those terms under

21                         of science, technology, engineering, and math.

22                         (b) PILOT PROGRAM FOR INTERNSHIPS FOR WOMEN  
23                         AND PEOPLE FROM UNDERREPRESENTED POPU-  
24                         LATIONS.—The Administrator shall establish a Diversity  
25                         and STEM Workforce Development Pilot Program to en-

1 courage the business community to provide workforce de-  
2 velopment opportunities for covered STEM interns, under  
3 which a Federal agency participating in the SBIR pro-  
4 gram or STTR program may make a grant to one or more  
5 eligible entities for the costs of internships for covered  
6 STEM interns.

7 (c) AMOUNT AND USE OF GRANTS.—

8 (1) AMOUNT.—A grant under subsection (b)—  
9 (A) may not be in an amount of more than  
10 \$15,000 per fiscal year; and  
11 (B) shall be in addition to the amount of  
12 the award to the recipient under the SBIR pro-  
13 gram or the STTR program.

14 (2) USE.—Not less than 90 percent of the  
15 amount of a grant under subsection (b) shall be  
16 used by the eligible entity to provide stipends or  
17 other similar payments to interns.

18 (d) EVALUATION.—Not later than January 31 of the  
19 first calendar year after the third fiscal year during which  
20 the Administrator carries out the pilot program, the Ad-  
21 ministrator shall submit to Congress—

22 (1) data on the results of the pilot program,  
23 such as the number and demographics of the covered  
24 STEM interns participating in an internship funded

1       under the pilot program and the amount spent on  
2       such internships; and

3                   (2) an assessment of whether the pilot program  
4       helped the SBIR program and STTR program  
5       achieve the congressional objective of fostering and  
6       encouraging the participation of women and persons  
7       from underrepresented populations in the STEM  
8       fields.

9                   (e) TERMINATION.—The pilot program shall termi-  
10      nate after the end of the fourth fiscal year during which  
11      the Administrator carries out the pilot program.

12                  (f) AUTHORIZATION OF APPROPRIATIONS.—There  
13      are authorized to be appropriated such sums as may be  
14      necessary to carry out the pilot program.
